(207)370-2790

A strategic approach to transforming your team's effectiveness, leadership, and culture.

Integrative Inquiry partners with businesses and organizations of all sizes to provide training & development services that help teams become more inclusive and equitable, with one another and with clients you serve.

We help you navigate complex projects, ideas, and challenges in a more integrative and collaborative way. Services are tailored to specific clients needs, whether trainings and retreats or long-term organizational capacity building. From assessment to implementation, we work with you to improve organizational health and effectiveness.

OUR MISSION

To build the capacity of teams and individuals to work in more collaborative and equitable ways.

OUR CLIENTS

FOR-PROFIT SECTOR

We work across various fields in the private sector with corporations and businesses committed to taking on culture change initiatives and organizational development.

PUBLIC SECTOR

We collaborate with public institutions, town & state leadership, and organizations operating with federal funds.

Designated SBA Women-Owned Small Business (WOSB)

NON-PROFITS & NGOS

We work with non-profits around internal development initiatives, from short-term grant-funded projects to long-term institutional support.

To uphold our commitment to strengthening our community, we allocate 25% of our time to benefit local **small businesses** and **community organizations**. We offer these services at a sliding scale proportionate to a client's operating budget.

To support our mission of building capacity, we work at both the organizational and individual levels.

We partner with organizations to revise or create systems and processes that encourage equity, from how they structure HR decisions to how they run meetings.

At the same time, we develop employee leadership skills through client-tailored curriculum that help teams create innovative, safe and inclusive environments that allow teams to challenge and learn from one another.

OUR SERVICES

Our services fall into the following categories:

TRAINING & RETREATS

ORGANIZATIONAL DEVELOPMENT

COMMUNITY BUILDING

If you aren't sure where to start, feel free to set up a **free consultation** to figure out what we offer that will best suit your organization or business needs.

TRAINING & RETREATS

Leadership Development

These trainings provide professional skill building for staff and managers at every level of your team.

Retreat Planning

Custom designed retreats guide teams in strategic visioning and planning to make the changes needed in your organization.

Team Assessments

Assessments can help teams refocus energy on issues most urgent for your business.

"A skilled facilitator, Kate truly took the time to prepare for the unique individuals in our group, took her cues from them, and guided conversations with utmost professionalism. Her diverse work combined with her education makes her more than capable of adapting to any group. Perhaps what distinguishes Kate from other educators is her level of self-awareness. Highly recommended!"

Jen Craven

AmeriCorps Program Director
Goodwill NNE, ME

ORGANIZATIONAL DEVELOPMENT

Program Development

High level systems design and development can help your team launch new initiatives and programs.

Instructional Design

Support building educational materials can help teams build out and run your own internal training and development.

Branding Support

Thoughtful graphic design guides businesses in updating or creating new marketing campaigns, websites and logos.

“Kate has introduced new ways to simplify our process and streamline our workflows. Her ability to take a complex system and break it into its parts has enabled us to manage multiple projects seamlessly and execute initiatives more effectively and efficiently.”

Jane Cooper-Driver
Director of Leadership Development
Primary Care Progress, MA

COMMUNITY BUILDING

Skill-building Workshops

We offer skill-building workshops around action-planning, engagement, and advocacy to help new initiatives get started.

Event Planning

We also offer customized design, planning, and guidance for holding large community events, fundraisers, and campaigns.

Consensus-Building Facilitation

We can provide expert facilitation to engage diverse stakeholders and community members in meaningful dialogue around complex issues.

"It was inspiring to see Kate provide a space for participants to not only discover and create new ideas ... but to care so much about [those ideas] that they want to tell as many people as they can. Participants become inspired, motivated, confident, and have the skills to be competent to create change."

Alastair Lawson
Program Manager
Opportunity Alliance, ME

ABOUT US

Kate is a training and development specialist that has pursued a variety of disciplines in her career and integrates multiple approaches and techniques in her work. Her specialty is creating systems and curricula that help build stronger more effective teams and organizations, rooted in collaboration, innovation, and equity.

Throughout the past decade, Kate has worked with organizations across the country and abroad to develop integrative programming with cutting-edge educational design theory. She conducts retreats and workshops in the U.S. and abroad, and consults with a variety of organizations on strategic planning, leadership development, and culture change.

Kate received a masters degree in Educational Development from Columbia University Teachers College, where she focused on leadership development in multi-cultural contexts.
